**How often do you shop at the Co-op?** Weekly

**Do you have any experience sitting on a Board of Directors?** I was on the Tidal Creek Board from 2005 to 2014, and currently am on the TC Board. I have also served on other community Boards.

**What unique skills or perspective do you feel you would bring to the Board?** I think that I am a clear communicator, a consensus builder, provide good vision for the future and have good experience from the past.

**What is your reason or motivation to run for the Board of Directors?** I absolutely love the Co-op and want it to thrive. The direction it has been taking this past year is fantastic under the guidance of our co-managers and I want this to continue. I believe I can help with that.

**What is your vision for the future of Tidal Creek Co-op?** Short term, I think that financial stability is key. This is beginning to happen after a few years of struggling. Long term, I would like to see our Cafe expand, continue and expand our community presence and the impact of our vision on those less familiar with it.
